

# LexiPro Forensic Brief

Case Number: LEX-2026-001

---

Generated: 2026-01-25 19:18 UTC

## Executive Summary

This brief summarizes automated forensic findings for the demo corpus. All observations are anchored to verified evidence artifacts.

## Detected Contradiction

Anchor\_Agreement.pdf conflicts with Contradictory\_Memo.pdf regarding the execution timeline and obligations. The discrepancy indicates a material inconsistency in the record.

## AI Findings (Latest)

1. Liability Cap Discrepancy
