

LexiPro Demo Exhibit (Forensic Anchor Proof Pack)

Exhibit Summary

Exhibit ID: DEMO-2025-PRP001

Case Name: Northwind Systems v. City of Eastvale

Prepared By: LexiPro Forensic OS

Purpose: Provide line-level anchors for claims, audits, and release-gate proof.

Section A: Incident Timeline (Primary Facts)

1. On 2025-02-14 at 19:42, a patrol unit initiated a stop at Eastvale Blvd and 3rd.
2. Officer A stated the stop was for "broken tail light" and "unsafe lane change."
3. The body cam log shows "contact started" at 19:44:12 and "contact ended" at 20:03:07.
4. A medical intake note records "right shoulder dislocation" documented at 21:16.

Section B: Internal Email (Admissions)

From: deputy.chief@eastvale.gov

To: chief@eastvale.gov

Date: 2025-02-16 08:14

Subject: Review of 2/14 stop

Quote: "We should have called EMS immediately after the restraint. That was delayed."

Quote: "Video confirms the tail light was not broken. The stop rationale is weak."

Section C: Policy Excerpt (Duty of Care)

Policy: Eastvale PD Use of Force Policy v3.2

Clause 4.7: "When a subject reports injury, EMS must be requested without delay."

Clause 6.1: "Stops require articulable, documented cause."

Section D: Billing and Losses (Damages)

Invoice: EVH-2025-1422

Provider: Eastvale Hospital

Date of Service: 2025-02-14

Total Charges: 18,450.00 USD

Breakdown:

- ER intake and imaging: 4,300.00 USD
- Orthopedic reduction: 7,800.00 USD
- Follow-up physical therapy (8 sessions): 6,350.00 USD

Section E: Witness Statement (Anchored Narrative)

Witness: Jordan Reyes

Statement Date: 2025-02-15

Text: "I saw the officers put his arms behind him while he said his shoulder was out."

Text: "No ambulance arrived for at least 20 minutes after the restraint."

Section F: Chain-of-Custody Marker

SHA-256 Seed: DEMO-PROOF-ANCHOR-001

Note: Any claim must map to a specific line in this exhibit.
